

TRUXTON BANKING

Truxton Banking is designed to provide you, your family, and your business with one local decision maker for your unique needs. Our experienced and multi-disciplined banking team takes the time to understand you and your entire financial picture so that we can be proactive and tailor advice specific to you.

PERSONAL BANKING

Banking with Truxton is more than just lines of credit and checking accounts. Every client has a dedicated banking advisor that partners with you to understand your short- and long-term financial goals and will work with you to reach them.

- Responsive, high-touch client service from a banker you know personally
- Deposit accounts tailored to you and your family's everyday needs
- Convenient online and mobile platforms for secure banking anytime, anywhere
- Use any ATM with no fees

COMMERCIAL BANKING

Running a successful business means managing a lot of moving parts. Our team of banking and treasury management experts focuses on streamlining your business finances to save you time and money, giving you command over your day-to-day transactions.

- Secure online banking with customized authority levels for your employees
- The protection of Positive Pay
- Access to professional service firms
- Experienced, consultative support from our Business Advisory Services

TREASURY MANAGEMENT

Truxton provides customized treasury management solutions to simplify processes, maximize efficiency, increase working capital, and enhance controls that mitigate risk, allowing you to focus on your business.

- Access to the full suite of our Treasury Management Services
- Same-day credit for your checks
- On demand limit increases
- Save time & costs with Remote Deposit, from the comfort of your desk
- Mobile Deposit capture allows you to deposit checks on the go

LENDING SOLUTIONS

Truxton offers a wide range of strategic credit solutions structured to provide you with financing whenever you need it, whether for short- or long-term liquidity, personal or business. We work with you to build a plan around your specific borrowing needs.

- Commercial Real Estate Lending
- Business Lending
- Construction Lending
- Personal Lending
- Mortgage Lending
- Securities-Based Lending
- Home Equity Lines of Credit

FINANCIAL SOLUTIONS, LED BY RELATIONSHIPS

When you bank with Truxton, you gain access to a full suite of financial solutions, all under one roof. Your banker will serve as your dedicated advisor to provide personalized guidance that helps you navigate challenges and seize opportunities to grow your wealth.
